Publishers' Card.

The Publishers desire to express their thanks to the people of the thriving and enterprising Town of Canton for the courtesy extended to them in their labor of canvassing, and for the patronage received for the work. No pains have been spared to make the Directory full and correct, but the public are requested to bear in mind the difficulty of compiling the first edition of so large a list of names without an occasional minor error, which can be better avoided in a second. It cannot fail to prove of value to all for frequent reference. The enterprising business houses of the vicinity offer favorable inducements, and we trust that they will receive a liberal patronage.

HERBAL BITTERS.

HEALTH FOR ALL!

There is a remedy for every complaint could we but find it, and we have spared neither time or money in striving to procure something which will really benefit the sick and ailing; this we have accomplished with a combination of roots and herbs, and we believe them to be THE BEST BITTERS now in the market. We have proof of this every day, from the fact that where we sell one bottle we have no trouble in selling again, showing conclusively that when given a fair trial they need no further recommendation. These Bitters purify the blood and act most powerfully yet soothingly on the Liver, Stomach, Kidneys and Bowels, giving tone, energy and vigor to the great mainsprings of life, and we can sincerely recommend them as a never failing remedy in cases where the constitution from whatever cause has become impaired or weakened. They are wonderfully effective in all ailments incidental to the human body, such as Ague, weak sight, Cholera, Jaundice, Nervousness, Faintness of Stomach, Pains in the Back, Female Weakness, Colic and Worms. They help Consumption of the Lungs, Difficulty of Breathing, Costiveness, etc. We put them up in California Wine and warrant them free from poisonous drugs of any kind, making them a very superior Bitter, and if taken according to directions printed on the label, will invariably give satisfaction.

Some people are very careless in taking medicine, even drinking from the bottle heedless of directions: this is wrong, and will not produce the result desired by the patient.

In some cases when the stomach is very weak and food distresses it, it is better to reduce the dose one half, adding water until it is strong enough to bear a full dose.

To those troubled with a sinking feeling at the stomach, these bitters are invaluable, affording instant relief, one trial convincing the most sceptical. For pains in the back there is nothing like them. They should be taken from 15 to 20 minutes before eating.

TRADE MARK.

PURITENE

IS SOAP IN A CONCENTRATED STATE.

A tea cup full of Puritene will do more work and be more lasting, if used according to directions, than any 25 cents' worth of soap. It contains no adulterations. It is made from pure and clean materials, and is perfectly harmless to the clothes. It will not injure the skin, but improve it. Remember Puritene will not injure the finest fabric. Never makes the hands sore.

DON'T BE A DOUNDERFUNK.

WE LIVE IN AN AGE OF PROGRESSION.

Puritene is not "about the same as other washing powders," as perhaps you have been told by some unscrupulous parties, but Puritene is the greatest invention of the 19th century. Imitated by many, equalled by none. Insist on having Puritene. And be sure that you get what you seek. See that it is Manufactured by the

Jinks' Soap Manufacturing Co.

To THE TRADE—Don't fail to send for sample and Price. It will please you. Correspondence and trial order solicited from the trade.
